Fire Damages a Residence-Want a Share of Prosperity.

Special Correspondence.

Vernal, Uintah Co., Feb. 28.—For the first time since the city purchased the curfew bell, two years ago, it rang out a fire alarm last evening about 7:30. The residence of S. P. Dillman was discovered to be on fire by one of the family, and the alarm was sounded. In less than five minutes there were fifty men on the scene and willing hands formed a bucket brigade and soon had the roof drenched with water. In the meantime others attached the garden hose to the pump and ran up stairs cutting through the ceiling with axes. The fire was raging the entire length of the building between the roof and ceiling, but was soon extinguished. Fortunately the fire occurred early in the evening, otherwise the result would have been disastrous alone to Mr. Dillman, but to the entire block on the corner of Uintah and Vernal avenues, as a row of business houses adjoins the dwelling. The incl-dent renews the anxiety felt by business men in case of a big fire, as there is absolutely no protection. No water could possibly be had excepting from a few small wells in the vicinity.

The damage to Mr. Dillman is hard to

estimate, as the water possibly did more harm than the fire. It is probably within \$250, however. W. P. Coltharp and wife returned last evening from Salt Lake, where Mr. Col-tharp has been on business. Mrs. Col-tharp went to visit her children who are

attending school in Sait Lake. WANT TO SHARE PROSPERITY. The local sheepshearers held a meeting Saturday, in which it was agreed to stand for seven cents per head for shearing instead of six as formerly,

She is kept under the in-fluence of morphine and is believed to be somewhat better now.
